International Financial Accounting Course  
LondonSAM Polska

## LONDONSAM POLAND

We are an International company specializing in finance & management training and supplying top education services to many business sectors.

Since our operation began in Poland, we have successfully trained over eight thousand people, including top managers from different business environments and our clients have frequently confirmed the quality of our trainings.

Our partners help us supply the best quality tuition, which translates into exceptionally high level of our training services. Here, we would like to mention ACCA (Association of Chartered Certified Accountants) of which we are Tuition Provider, CIPP (Certified Institute of Payroll Professionals), PMI (Project Management Institute) and, as of late, INSEAD The Business School for the World, a France-based highly rated establishment. All that proves that we never stop developing and confirms the high standard of the services rendered by LondonSAM Polska.

## SEMINAR OUTLINE

The course of International Financial Accounting Course applies most important issues of modern accounting, based on the International Financial Reporting Standards. The seminar builds a bridge between university accounting studies and practical requirements of business.

## PARTICIPANT'S PROFILE

The International Financial Accounting Course has been designed to fulfill expectations and needs of financial employees, who are responsible for running basic accounting processes in accordance with international standards. The course is designed for professionals who start a career in accountancy or for those who would like to refresh their knowledge in accounting rules and principles.

## WHAT MAKES THE TRAINING 'UNIQUE'

## KEYNOTE SPEAKERS

### Dak Patel, FCCA FOTHM

- / ACCA, CIMA basic accounting specialist
- / Over 25 years of teaching experience
- / Trained over 3 000 people on basic accounting

He is frequently headhunted by various institutions both here in the UK and overseas and has numerous years of experience in lecturing international clients. He has also lectured at Cambridge University on their MBA and DMS programs, training members of staff from Essex Police, Fire Brigade and The Lighthouse. Dak has been listed as a member of the Presidential Who's Who in Professional and Business Achievers.

Dak has taught people from many international companies located in Poland, among others: Hitachi, Shell, Motorola and also carried out consultancy work for leading Banks notably Nat West, Royal Bank of Scotland and State Street in Docklands.

### Dariusz Bargieł FCCA

- / ACCA, CIMA all levels financial accounting specialist
- / Over 15 years of teaching experience
- / Trained over 5 000 people in financial accounting subjects

Dariusz studied finance and accounting in Poland and in Great Britain, where he obtained Master degree. Besides academic title, Dariusz is also a member of prestigious British association ACCA Association of Chartered Certified Accountant. Professional ACCA authority was gained in 1999. Currently he is a marker for F7 Financial Reporting ACCA exam. In 1996 he started working for Deloitte & Touche, where as a senior auditor he was responsible for examination of financial reports. Thanks to his lecturing skills discovered during Deloitte & Touche seminars, he decided to start professional lecturer career.

Dariusz presents amazing interpersonal and teaching skills, that have been evaluated many times by attendants from such companies like: Hitachi, IBM, Capgemini, BNP Paribas Fortis, Amway, Mentor Graphics and many others.
