Reporting under US GAAP with IFRS comparison
LondonSAM Poland

LONDONSAM POLSKA

We are an International company specializing in finance & management training and supplying top education services to many business sectors.

Since our operation began in Poland, we have successfully trained over eight thousand people, including top managers from different business environments and our clients have frequently confirmed the quality of our trainings.

Our partners help us supply the best quality tuition, which translates into exceptionally high level of our training services. Here, we would like to mention ACCA (Association of Chartered Certified Accountants) of which we are Tuition Provider, CIPP (Certified Institute of Payroll Professionals), PMI (Project Management Institute) and, as of late, INSEAD The Business School for the World, a France-based highly rated establishment. All that proves that we never stop developing and confirms the high standard of the services rendered by LondonSAM Polska.

TRAINING OBJECTIVES AND PROGRAM OUTLINE

Many businesses throughout the EU and the rest of the world continue to report their financial results using USGAAP. Often their primary reporting systems and ledgers are based on USGAAP; local reporting obligations under PLGAAP or IFRS are often conducted off-line and sometimes as almost an afterthought.

This course is designed to help accountants to meet their USGAAP reporting obligations with confidence.

Program includes:

- / Presentation of financial statements under US GAAP
- / Reporting assets, liabilities and balance sheet issues
- / Reporting financial performance
- / Business combinations & other key US GAAP issues
- / USGAAP comparison with IFRS in the main areas of interest
