Financial Risk Management & Cybersecurity  
LondonSAM Polska, 2024

**London** SAM

## LONDONSAM POLSKA

We are an International company specializing in finance and management training and supplying top education services to many business sectors. Since our operation began in Poland, we have successfully trained over ten thousand people, including top managers from different business environments and our clients have frequently confirmed the quality of our trainings.

Our partners help us supply the best quality tuition, which translates into exceptionally high level of our training services. Here, we would like to mention ACCA (Association of Chartered Accountants) of which we are Tuition Provider, CIPP (Certified Institute of Payroll Professionals), PMI (Project Management Institute) and, as of late, INSEAD The Business School for the World, a France-based highly rated establishment. All that proves that we never stop developing and confirms the high standard of the services rendered by LondonSAM Polska.

## OFFER

Our offer consists of specialized business trainings, organized in open and closed form as well as outdoor workshops. We also offer soft skills workshops. Each of our trainings is individually adjusted in order to perfectly meet our Client's expectations. Some of our trainings include:

- ✓ Finance: MSSF, USGAAP, Taxation Academy, Credit Management, Finance for Managers
- ✓ Management: Project, Change, Team and Time Management
- ✓ Soft skills: Presentation Techniques, Customer Service, International Communication

## CLIENTS

Our Clients appreciated our professionalism, our commitment and individual approach to each of the projects. We do care about good relationship with our partners, that is why our trainings are popular among big International companies, as well as smaller local firms, that invest in developing employees qualifications.

## TRAINING PROGRAM

**Course Description:** This course "Financial Risk Management and Cybersecurity" is designed to provide finance professionals with the knowledge and skills necessary to identify, assess, and mitigate financial risks associated with cybersecurity threats. In today's interconnected and technology-driven financial landscape, understanding the intersection of financial risk management and cybersecurity is crucial for professionals working in finance. Practical case studies and exercises will be covered throughout the course.

### **Introduction to Financial Risk Management and Cybersecurity**
